

Lincolnshire Sure Start Children's Centres offer help, advice and a friendly welcome to all families and carers with children from 0-5 years.

There are now **25 main Children's Centres**, with many linked sites throughout the county, ensuring that every community has access to one.

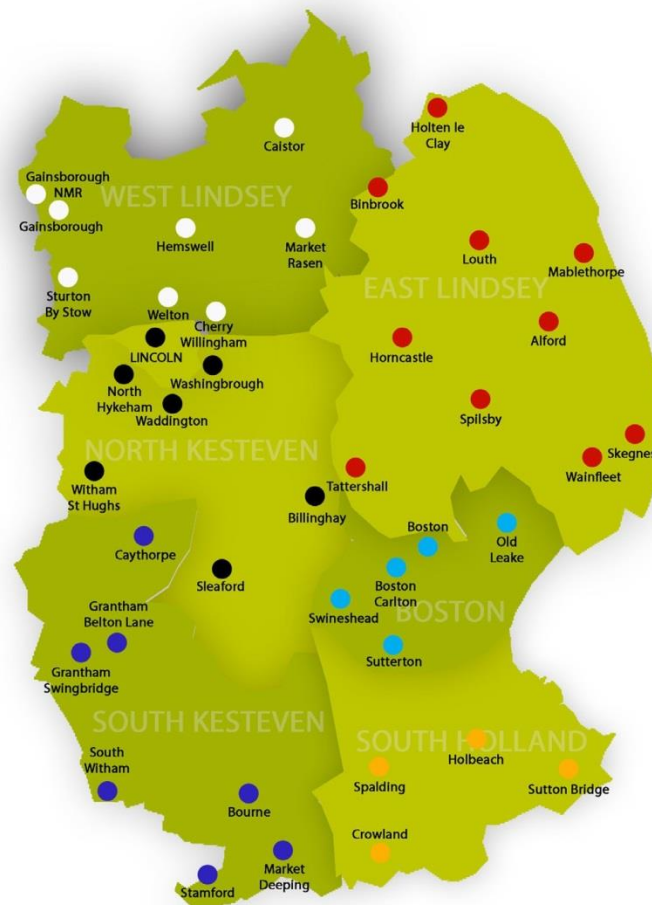

You're welcome at any Children's Centre - they offer a fantastic variety of activities, free drop in sessions and helpful services.

All Centres offer:

- Child and family health services
- Advice and information for families
- Strong links with local childcare and education at all Centres
- Stay and play sessions to support your child's development
- Adult learning and volunteering opportunities
- Support for parents on a range of issues and parenting programmes

Each Centre offers additional services and activities according to the needs of the local community these can include;

- Parent led play sessions
- Young Parent Groups.
