We would love to help you help a baby

*Baby clothes (tiny to 0-3 mths) • Bedding • Moses basket • Baby bath
Baby toiletries and nappies • Mum's toiletries • Small toys*

Baby's Basket offers help with baby essentials to any parent having difficulty providing for the practical needs of their new baby. We welcome referrals from health and welfare professionals throughout Lincolnshire. There are no forms: we rely on the professionals' assessment of need. The service is free and confidential. We only ask that you arrange collection from us and delivery to the parent.

To make a request

Please discuss with parents what they need; we will do our best to meet the individual needs of each parent and baby. Everything we provide has been carefully checked for quality, is clean and ready for use. Please ask if a parent needs something not listed above, we might be able to help.

Phone us with your contact details, baby's due date and gender (if known) and the parent's first name or initials. We will ask what the mum needs, in particular whether the Moses basket itself required. We can provide a new mattress for an existing basket if needed or any of the items to top up what the family already have.

We aim to prepare your request about 2 months before baby is due or as soon as possible if closer to the due date - or baby has already been born! Before we prepare your request we will contact you to arrange a date for it to be collected.

*Baby's Basket is a registered charity, registered in England and Wales (Regd. No. 1169227)
