Baby's Basket offers a Moses basket packed with baby and hospital essentials to any parent struggling to provide for the practical needs of their new baby. Each basket is carefully checked to ensure it is clean and safe for a new baby and given a new mattress. All clothes and bedding are laundered and in excellent condition; every baby deserves the best we can give them.

We would love to help you help a baby

We encourage care professionals and welfare agencies throughout Lincolnshire to offer baskets to parents in need. The service is free and confidential and there are no formalities. All we need to know are your contact details, baby's due date, baby's gender if known and some means of identifying the recipient to us both. To protect parents' privacy we ask that you collect the basket from us and deliver to parents but other arrangements may be possible if this is difficult.

You can contact us as soon as you know there is a need, even months ahead. The basket will be ready two months before baby is due or as soon as possible if nearer the due date - or baby has already been born!

Please contact us for more information.

Each basket contains ...

For Baby ...

- Blankets and sheets
- Generous selection of clothing
- Baby towel
